

AMENDMENTS TO THE SPECIFICATION

Please amend the specification as indicated hereafter. It is believed that the following amendments and additions add no new matter to the present application.

Please replace the paragraph starting on p. 25, line 10 with the following amended paragraph:

A further alternative embodiment provides the subscriber, in response to actuating a particular function key on the remote 27 such as the "C" key, a list of default positions that can be selected. These ~~position~~ positions may include, but are not ~~be~~ limited to, the currently showing program in-focus, the first category of the relevant view highlighted, a favorite category the user has previously defined, or a recommended program in line with the user's television watching habits.
